Hello, Joey. In your debate with Brandon you claimed to accept the proposition that "eating the natural human diet is basically what's best to ensure optimal health". I'd be comfortable debating that proposition if you'd be comfortable defending it. Let me know when you are available, and we'll try to work something out. Oh, and in order to avoid the issues with Zoom last time and to preserve the audio quality, I highly recommend we have the debate on Discord: [www.discord.com/invite/thenutrivore](http://www.discord.com/invite/thenutrivore).

Cheers,  
Nick

Hi Nick,

I can defend the proposition that the natural human diet is best for ensuring optimal health.

Zoom is fine now. I have the paid version so it wont end after 40 minutes.

Should be fine. Any particular reason you wish to avoid Discord?

I think zoom looks cleaner to the audience.

Ah, I guess that's fine. With Discord there will be a live audience. Potentially a hundred people or more. If that's interesting to you.

Do you mind pushing it back about 90 minutes? In this case, we'd be starting at 1:30pst instead of 12:00. If this isn't doable, I can try to rearrange some things and find a way to make 12:00 work.
